Dear Nancy:

Congratulations to you and to all the members and supporters of the Eden Area League of Women Voters.

For half a century, your organization has been instrumental in spurring active political involvement among the voters of the Eden Area of Alameda County. Since your founding in 1957, you have educated voters on local, state, and national issues in a non-partisan manner. You have given voters a forum wherein they can make informed decisions on issues that are so important to their lives and their communities.

As a United State Senator representing the State of California, I congratulate you on this milestone anniversary and I thank you for your service to the community.

Sincerely,
